To

The Secretary to the Hon'ble the Resident in Mysore,
BANGALORE.

Sir,

I have the honour to state that in October last a half grant not exceeding Rs.104/- was sanctioned by me towards the cost of covering the courtyard of the Govindammal Girls School, Ulsoor, with iron bars to prevent entry into the school premises at night by the roof. The work was completed under the supervision of the Municipal Executive Engineer. The Correspondent submitted vouchers and a completion certificate. But when asked to execute a trust deed, he requests that the management may be exempted from executing one, since the iron grating is only a semi-permanent structure. A copy of his letter No.647, dated 18-3-1939 is enclosed.

2. The request made seems reasonable, and I recommend therefore that the management may kindly be exempted from the execution of a trust deed in respect of the grant in question.

3. As it may not be possible to get the order of exemption before the close of the month, I have authorised payment of the grant lest it should lapse.

I have the honour to be,

Sir,

Your most obedient servant,

M.S.H. Thompson

Copy of letter No.647 dated 18th March 1939 from the Correspondent, Govindammal Girls School, Ulsoor, to the Inspector of Schools, C.& M. Station, Bangalore.

With reference to your letter No.817/B.2/39, dated the 17th March 1939, I have the honour to state that the work in question is not one that strictly falls under "Building grant" The work is one that can be considered as a structure of a semi-permanent nature. In the circumstances I request you to be good enough to exempt us from the execution of the Trust Deed called for.
